No Twins Day this past August. TAB wrestling being put on hold. Despite all of the covid changes we are in good shape financially.

AD Report:

In a good place with Fall sports. Grateful to have things running smoothly despite Covid. County Board of Health made changes to CC and other sports. Things look different but things are going well. Senior nights are all getting done at beginning of season instead of the end. They are all scheduled and going forward. Last one is CC, golf and tennis Sept 25. Erin Benson has communicated to all athletes about senior nights. No cash ticket sales. All tickets are purchased through EZ Pay. Shout out to coaches for getting the athletes back to their sports and having a healthy start to their season.

Officer Reports:

Treasurer: Pam has balance sheets available for each team if you would like a copy.

We have \$30,161 in general fund. \$77,828 in entire account which includes the individual teams funds.

Books are closed for the year. Taxes and paperwork is ready to be turned into Mrs. Powers. Any teams wanting to use funds should have it approved by Brian Fantone. Things are temporarily on hold. Hockey is now a member of TAB.

Committee Reports:

Shout out and Thank you to Michael our new activities janitor for all his hard work at the Stadium. The concession stand, restrooms and stadium seating is being maintained by Michael.

There will be a limited number of volunteers allowed in the concession stand. Volunteers need to be on the list in order to get in at the gate. Athletic passes are not possible this year because of Covid. Senior citizens do not pay to get in. Need to just let the staff at the gate know they are part of a athletes families 4 tickets.

Scholarships:

Scholarships were taken care of by the scholarship committee last April. 10 members were awarded their scholarships. Unfortunately, couldn't celebrate like in the past.

Nothing to report at this time.

TAB Wrestling Tournament:

On hold for now. Drop dead date to make a decision is Nov 1. Schools will be invited to gauge what other schools thoughts are.

Team Reports:

Gridiron:

Had their first gridiron meeting tonight. Coach Bell thanked Brian for all the efforts to get Fall Sports going.

Old Business:

Nothing to report

New Business:

Fundraising: No evening or weekend use of any school buildings. Therefore, currently no fundraising on site. Discussed food trucks etc. Anything that a sports team wants to do needs to be approved by Brian Fantone. Develop a fundraising committee to discuss new ways to fundraise during Covid. Maybe do a donation drive. Consider doing some "All teams" fundraisers. Therefore, it isn't just fall sports benefiting etc. Fundraising subcommittee is Jill Laverdiere, Diane Aughimbaugh, Maleeka Bussey, Michelle Genos. Looking for other parents to help with this from winter and spring sports. This will be an all team effort.

Senior Banners are going to be in and taken care of by freshman football moms. Cheerleading and band pictures will be taken Monday Sept 21. Trying to rush the banners for Fridays home game on Sept 25.

Audio for the YouTube broadcast of the games is taken care of.

Motion to Close: Pam motioned and it was seconded.
