### Other

- Maleeka to revisit what TAB can do for Coach Looman with Brian Fantone as well as sport patches. Look to have Brian explain the way the school hands out patches and for what accolades. For example, Hockey with the Greater Cleveland League as they are a part of a different league that is not suburban. Next meeting would be great to further explain how that works to the members.
- TAB indoor spirit items - We still encourage anyone with suggestions and/or pricing to bring to our next meeting. It can be similar to the Tiger Head but smaller and/or something that can be transported easily

**Next Meeting: May 13th at THS Commons**
