**Old Business/Brainstorming Activity:**

-Members try to continue with the me plus 3 or you plus 2 idea for Dec meeting. Thank you to our members that brought a couple new people.

-Maleeka and Hallie made the "cheat sheet" to advertise TAB and get the word out about us. We want to connect with teams of age levels to receive the postcard and get involved. Thank you to both Hallie and Maleeka for creating the flyer and Michelle for printing it for distribution.

- Winter sports are starting Nov 22. Would like to get students involved and to attend events and support athletes. It brings a positive atmosphere when the athletes have crowds cheering them on.

- We want to thank everyone for their involvement and positivity to make TAB a great organization. We are trying to make TAB a different culture and we are listening to membership and getting things moving in a positive way.

**New Business:**

Change of location for next meeting. Keep at THS but a different room is desired. :)

Try to set up liaison meeting to go over roles of team chairpeople.
